Appendix II

[Vide answer to starred question No. 1701, asked by Sri R. Srinivasa Iyer, at the meeting of the Legislative Assembly held on 22nd September 1961, page 432 supra.]

A.—*Clause* (*a*) The following incentives and aids are provided by the Central and State Governments for private entrepreneurs in starting small-scale industries :—

(1) Loans on low rates of interest and on liberal terms under the Madras State Aid to Industries Act are granted to small-scale industrialists for one or more of the following purposes :—

(i) for the purchase of land;

(ii) for the construction of factory building or workshed ;

(iii) for purchase of tools, equipments and machinery and for erecting machinery ;

(iv) for the discharge of existing liabilities ;

22nd September 1961]

(v) for enabling the recipient to tide over difficulties in the early stages of manufacture on a commercial scale ;

(vi) for meeting initial losses in the case of Cottage Industries for reasons beyond their control ; and

(vii) for use as working capital.

The State Bank of India, in collaboration with the authorities of the Reserve Bank of India, Madras Industrial Investment Corporation, Small Industries Service Institute and the Industries Department of the State Government are implementing a 'Pilot Scheme' to meet the credit requirements of Small Industries.

(2) Necessary technical advice, training and servicing facilities are provided to small-scale entrepreneurs through—

(i) Training-*cum*-Demonstration Centres.

(ii) Model or Pilot Production Centres.

(iii) Common Service Facility Centres.

(iv) Industrial Extension Centres.

(3) Factory spaces are provided for Small-Scale Industries at subsidized rates of rent in the several Industrial Estates and Colonies in the State. Raw materials are also procured and given to these Industries.

(4) The Small Industries Service Institute, Madras, an organisation of the Government of India manned by technically qualified and experienced officers gives assistance and technical service and advice free of charge to Small Industrial Units in the Southern Region by practical demonstration of improved technical processes and use of modern machinery and equipment. The Institute also gives instruction and advices to Small Industrialists on proper methods of business management including marketing and acts as Information Centre arranging lectures, issue of pamphlets, model schemes, etc., for the guidance of Small Industrialists. The Central Government also provide the Small Industries Service Institute with foreign consultants periodically, to solve the problems of small units and make improvements in the manufacture and design of their products.

(5) The National Small Industries Corporation arranges to supply machinery to Small-Scale Industrialists on hire-purchase basis, besides assisting these Industries in marketing their products and in obtaining orders from the Stores Purchasing Department of the Government.

(6) The Small Industries Service Institute and the Extension Centre collaborate with the National Small Industries Corporation in the field of hire-purchase of machinery selection and registration of Small-Scale Units as Government supplier, development of Small Units as ancillaries to large concerns, Industrial Credit and Inspection and Marketing of the Small Industries products.

[22nd September 1961
